Next Saturday School

The next Saturday School will be held on **Mar. 2nd**. Students must report at 7:00am, in full uniform, to the JH Cafeteria, with school work to work on. If students are uncertain whether or not they need to attend Saturday School, they should check in the office to see if they owe time for uniform infractions and look on Aspire to check on tardy infractions. Payment must be made in advance.

Email Communication to Teachers and Aspire

Parents, when communicating with teachers via email, please send emails directly from your email account. Aspire has a system that appears to allow emailing directly from your student's account to their teacher(s), via a link by the teacher's name that looks like an envelope. However, our experience has been that this service does not work accurately. Despite reports to Aspire help desks and support, the messaging continues to be sporadic at best. Thus, we encourage you to always email directly from your email account, and not through Aspire.

The class will run for 8 weeks: **Thursdays from 2:00-2:45 p.m.** in the D3 Cafeteria, from **Mar. 14th to May 9th** (no class Apr. 4th) with performances on May 10th and 11th. 7th Grade Capitol Trip

On **Thursday, March 7th**, our 7th grade students will have the amazing opportunity to go and watch the legislative process in action. They will be attending committee meetings, viewing both the Senate and House of Representatives in session, taking a tour of the Capitol building, and meeting their legislators in a small group setting. Students must wear full uniform with name tag. Unless they have ordered a school lunch for that day, each student needs to bring a disposable sack lunch. **Everything they bring for lunch must be able to be thrown away.** If they have ordered a school lunch, those will be distributed to the students, at the Capitol.

Buses will leave D3 at 8:15 that morning! Please make sure your student is at school on time! We will send a permission slip home with them on February 25th. They will be due on March 1st.

AMERICAN PREPARATORY ACADEMY

Event Review: 12th Grade Supreme Court Visit

12th grade students had the opportunity to go and watch a court case unfold. They learned about the case beforehand, which helped them to be more invested in the proceedings! Watching the Judicial System in action helps students to gain an appreciation for our laws and the people we appoint to uphold them.
