Region 17 Coach of the Year: Dan Baldwin

Our very own Draper APA High School Girls Head Basketball Coach, Dan Baldwin, was selected as the Region 17 Coach of the Year! This is an outstanding accomplishment. Coach Baldwin has made a tremendous impact on our Draper team. He helped our team improve from 3-18 last year to 16-7 this year, into a second place finish in Region 17.

Coach Baldwin has coached basketball for many years and started with APA in 2015. He created a Girls Amateur Athletic Union (AAU) club for our elementary and middle school girls this year to teach them the skills needed to transition to a high school basketball team successfully. Thank you Coach Baldwin for your hard work and dedication.

Event Review: 8th Grade Explosive Extravaganza

This week our 8th graders participated in our "Explosive Extravaganza" Ambassador event!! Our amazing students rotated between 7 stations where they mastered the skills of communication, escorting through a reception line, opening the door for a lady, reception etiquette, dressing for success, and how to sit professionally. The students also learned and reviewed the important content of inflation, the power of words, and safe social media use. Our 8th grade students blew us away at how much they know and are excited to learn and participate in the Ambassador events. We are so grateful for all of our amazing parents who volunteered at our event this week, we could not have done it without you! We invite all parents to review the Station Quiz Questions with their students to see how your student learned this week!

1. Name two of the four tools for controlling your emotions. Hint: three of them are questions? (Name your emotion, "Am I in control of my emotions?" "Why am I feeling this way?" and "What is my goal?")
2. Why should your cell phone be visually limited? (It is a business or personal tool and should not be used in social situations.)
3. When escorting, who should be on the side closer to the street? (The gentleman)
4. How do you know if you are gossiping? (If you are saying something about someone who is not around that you wouldn't say in front of them.)
5. What is the Bystander Effect? (To stand around and do nothing because you assume others will help)
6. What is commodity money? (A form of currency that has its own value - e.g. Gold, Silver, Salt, Copper)
7. How can you protect others while using social media? (Never share their personal information or tag without permission)
8. What should your body language be if you want to appear happy and approachable? (Sitting professionally or standing tall with a warm smile making eye contact.)
