Winterim Course Selections

It is time for students to make their selections for which Winterim courses they are most interested in taking. Winterim request forms were given out to students during their 4th period class, and should be returned after the break. The winterim catalog link will be emailed out to students and parents.

If you are not yet familiar with Winterim, it is a two-week term that immediately follows Winter break. Secondary students will have the opportunity to choose three elective courses. Course options include learning opportunities in the Arts, Humanities, Science and Technology, History and Culture, and Fitness and Life Skills. In addition to the skills and knowledge gained, 7th-12th grade students who successfully complete a course with a "Pass" grade will receive elective credits.

7th Grade Leaders for Life

Attention, 7th grade parents and students! We are excited about our first 7th grade event: Leaders for Life! To help them learn how professional body language is a key factor in making good impressions, students will review proper “meet and greet” protocol. The event will be on **Wednesday, October 23rd** from **12:30-3:15 P.M.**, so we will have a late pick-up time that day. Questions can be directed to Vashti Musig at vmusig@apamail.org.

The [High School Utah Entrepreneur Challenge](#) is a business idea competition for students ages 14-18 throughout Utah. All are welcome to participate. The competition encourages high school students to explore innovation and entrepreneurship. Utah is known for its entrepreneurial spirit, and we believe some of the best ideas come from teenage students.

The competition is managed by the Lassonde Entrepreneur Institute, an interdisciplinary division of the David Eccles School of Business at the University of Utah, and sponsored by Zions Bank.
