4th Annual Holiday Boutique Happening Next Week

APA's 4th Annual Holiday Boutique is NEXT WEEK! A flyer will be going out next week. It will be held on **Friday, November 8th, 2:00 P.M. – 8:00 P.M.**, and on **Saturday, November 9th, 9:00 A.M. - 2:00 P.M.** We are so excited to have so many school groups and students participating this year! We are still taking applications for student entrepreneurs and vendors. Please go to <https://www.facebook.com/groups/apaboutiquevendors/> for details. The cost for a student booth is \$10. Is your child performing at the Holiday Boutique? Please invite your family and friends to come and watch your child perform and support this fundraiser! The groups that are performing include:

- 5th Grade Choir
- Orchestra
- Choir
- Ballroom Dance

Some of the Draper 2 art students will have artwork on display as well. Please come out and support the local vendors, student entrepreneurs, and student performers!

Volunteers Still Needed

We need MANY more volunteers to help at the boutique. Your volunteer time will go towards the 20 hours of volunteer time that are required for each APA family each year. For those of you who have a hard time volunteering during the week, this is the perfect opportunity to volunteer outside of the normal work week. Please go to <https://www.signupgenius.com/go/8050548A5AB2EA7F49-4thannual> to sign up to volunteer to help with the boutique. We can't run a successful fundraising campaign without the help of our wonderful parents!

Order Lunch Over the Weekend

This is a reminder to order meals for next month. <https://apalunch.h1.hotlunchonline.net/> All orders must be placed 48 hours in advance - if you want your student to have lunch on Monday, November 4th, please order by this Saturday. If you need help ordering lunch, our school lunch workers are available each morning and then from 12 pm to 1 pm every day. You can also email lunch@apamail.org for assistance.

Event Review: Leaders for Life

On Wednesday, October 23rd, the 7th grade students participated in the Leaders for Life Opening Ceremonies Event. At the event, students learned to demonstrate leadership skills by thinking outside of the box and treating others with respect. In addition, students reviewed proper "meet and greet" protocol and learned how professional body language is key to making good impressions. You might consider asking your student to review the principles they learned during the activity.
