Reminder: Immunization Requirements

Immunization Requirements BEFORE 2020-2021 School Year Starts: Immunizations are very important to keep our children safe from preventable communicable diseases. All children entering Kindergarten must be up to date with a second MMR, Varicella, final polio and DTaP immunizations. Those entering 7th grade must have received a Tdap booster as well as a Meningococcal vaccine. If your child is not properly immunized you will receive a letter in the mail requesting proof of immunizations. If this documentation is not provided, your child will be excluded from attending school until the required documentation is provided. Questions regarding Utah immunization requirements can be answered by the Utah Department of Health. <http://www.immunize-utah.org/>, or our District Nurse Karen Thelin, RN, BSN. kthelin@apamail.org. More information about immunizations can be found at <https://www.cdc.gov/vaccines/index.html>

American Preparatory Educational Foundation

The American Preparatory Education Foundation (APEF) is a nonprofit public charitable corporation that supports education and provides educational opportunities for the poor and disadvantaged. In particular, the Foundation supports schools, students and educators affiliated with the American Preparatory education system.

The Foundation is governed by a Board of Directors, who has sole authority to select grantees and operate the Foundation within its exempt purposes. Selections will be based on a written application which may include budget information, receipts, invoices, or other documents that may prove need.

Qualifications

The COVID-19 Assistance Fund is a source of financial help to American Preparatory Academy staff, students, and family members who are experiencing financial difficulties during the Coronavirus Pandemic. The application must include specific descriptions of the recipient's needs. Payments from the Fund are discretionary. If awarded, they do not need to be repaid. Nevertheless, the application and award obligates the recipient to use the awarded funds only for the purposes for which they were granted and acknowledges the Foundation's authority to withhold and/or recover grant funds in case such funds are, or appear to be, misused.

Submission

The application form must be complete. Please sign the application and if sending in the mail, mark the envelope as PERSONAL AND CONFIDENTIAL. Email the completed application to
