This is a girl's choice dance, but anyone is welcome to come--with or without a date. Tickets are available for purchase at the main office. Get ready to make funny faces at the photobooth. There will be desserts, drinks, activities, and more! It will be a blast! Please remember to follow the dance dress code. Ballroom Team Success

Our ballroom team recently competed in the national Gem State Ballroom Classic in Idaho Falls. They did a great job and proudly brought home a 2nd place trophy for their Mambo routine, and a 2nd place trophy for their Foxtrot routine. Congrats to Emily Spainhower, Hillary Nelson, Cambria Mitchell, Autumn Hill, Laura Aguilar, Zane Carlisle, Hyrum Farmer, Kenner Goff, Wesley Reeves, and Ben Carter.

In addition, two of our team members, Wesley Reeves and Cambria Mitchell also competed in the individual events and took 1st place in Cha Cha, 2nd place in Swing, and 3rd place in Foxtrot. Congratulations Ballroom Team--thanks for representing our school in style!

Drama Competition Awards

Our very own Draper APA Drama Department's One Act Play (The Foreigner) won 1st place at the region competition on Friday! Addition awards received include:

- Jacquelyn Parke won 3rd place in Dramatic Monologue.
- Cheyenne Bible won 3rd place in Costume Design.
- Emily Spainhower, Marja Wells, June Newcomb, and Manuel Jahen won 3rd place in Musical Theatre.
- Emily Spainhower won the "Outstanding Actor in a One Act Play" award.
- Marja Wells won the "Outstanding Character Actor in a One Act Play" award.

Every student who attended the region competition qualified for the State Drama Competition coming up in April. We are so proud of all the hard work they put in, so we want to make sure people know about their success! Way to go Eagles!

Community Service Opportunity

There is a community service opportunity at Calvary Church, on Thursdays, from 5 to 8 pm. Volunteers can show up at the church at 5 pm and ask to help with the food distribution. The actual food distribution starts at 6 or 6:30, so the volunteers generally show up around 5 to set up. If any students are musically talented and want an audience, they can also perform during the food distribution. The church sometimes has other volunteer needs, like delivering food to the homeless, on the other days of the week.

Curriculum Policy Reminder

School property that is temporarily issued to students is expected to be returned in the same condition with consideration for normal “wear and tear” no later than the last school day of each school year. American Prep staff carefully records and inspects issued items, including digital equipment, calculators, textbooks, library books, musical instruments, and other materials. When a student is issued an item during the school year, it is the family’s responsibility to report any damage that may have escaped the school's notice within 2 school days. Failure to do so will result in the assumption that any damage found occurred while under the current student's care. Parents will be required to pay for all materials that are not returned, lost, or returned with damage.

Fines associated with unreturned, lost, or damaged items are NOT subject to fee waivers. APA will NOT accept replacement materials provided by parents. APA will work with families to provide options to help with the reduction of and payment of fines, including payment plans or the school may provide for a program of work the student may complete in lieu of the payment. American Prep may withhold the issuance of an official written grade report, diploma, or transcript of the student responsible for willful damage or loss until the fine has been resolved (53G-8-212(2)(a)). American Prep also reserves the right to seek payment through a collections agency if a fine has not been paid or resolved within 60 days of issuance for continuing students or immediately for unenrolled students.

Parents will be charged the replacement cost for lost or damaged books and a \$2 processing fee for book covers and coding stickers.

Damage found on books upon return at any time during the school year beyond normal “wear and tear” that can be repaired will incur a repair fine according to the following:

- Cover repair \$1
- Spine repair \$1
- Page repair \$.25 per page
- Page replacement \$.50 per page

We are currently in need of substitute teachers. If you, or someone you know, might be interested, please go to the American Prep website at www.americanprep.org and fill out a substitute teacher application under the “Careers” tab. We would love to work with you! This would also be a great job for college students that have certain days available during the week. Please let your friends and family members know about this great opportunity!

Star Athlete

Congratulations to Draper APA HS Junior, Riley Bluth, on being selected to the Girls Basketball All-State team. Riley averaged 12.4 points per game, 3.1 rebounds and 1.6 steals as well. We will be looking forward to another great season for our team next year and for Riley as well. Go Eagles!

Reminder to Bring Masks

Parents, please make sure you are sending your student to school with a mask everyday. We have a limited supply of replacement masks for emergency situations but we don't have enough to give students a mask every day.
