Parent/Guardian Climate Survey

The State of Utah requires that we conduct an annual "School Climate Survey". The purpose of the survey is for the state leaders to learn about the experience Utah parents are having at their schools. The survey is anonymous and parent identities will not be associated with their answers. The survey is NOT mandatory.

AMERICAN PREPARATORY ACADEMY

The survey includes 33 questions and can be finished in about 6 mins. This survey includes questions about your student's learning, school safety, and interpersonal relationships, as well as your attitudes about the institutional environment and your personal involvement in school. Your responses will be very helpful in improving student relationships, learning conditions, and the overall school environment.

You can take the survey online by using the following unique school link:

https://americanprep.sjc1.qualtrics.com/jfe/form/SV_2nLsWvA8q6tE52C

The survey window will be open from April 26 - May 7th. Please make sure to take the survey before the 7th of May, 2021.

Parent Advisory Committee Elections - D3 Campus

We have 2 Parent Advisory Committee (PAC) positions opening up for the 2021-2022 school year. PAC participates with the administration in developing the Annual School Plan, in deciding how the Land Trust monies will be spent, and other matters important to our students at American Preparatory Academy. Parents of students who are employed 6 or more hours per week at the school are disqualified from participating as an elected parent.

The PAC generally meets 3-4 times per year. Members of the PAC will be expected to participate in all of these meetings so that a quorum may be present to conduct business. There are no term limits, so long as an elected parent has students enrolled in the school, is actively participating, and wishes to continue to do so.

If you are interested, please contact Rebecca Dailey, landtrust@apamail.org no later than Wednesday, May 12, 2021 at 4pm.

Please include:

- Your name
- The campus you are running for
- Your students name and grade
- Your phone number and email address
- A short (70 words or less) paragraph on why you are interested in being on the committee.

We are holding elections at more than one campus, so it will be very important that you note in your email which campus' PAC you are running. The ballot link will go home as the last page of the May 14 newsletter. Each family may vote for 2 candidates, as we have 2 openings. Ballots must be submitted online before 4pm on May 19th. The candidate who receives the most votes will be posted in the May 21st newsletter.
