It is extremely important that this is filled out ASAP. There will also be a parent information sheet sent home with the RSVP. Along with this RSVP, the students will be having lessons in 4th period to help them review the appropriate etiquette for the dances. Event Review: 9th Grade Make a Difference Day

The 9th grade spent their 4th period on Wednesday serving Head Start Preschools in the community. They made File Folder Games. Games like Grin and Bear it, which is all about helping the kids learn their colors! Head Start was sad that we could not be there in person but so grateful for all the new colorful games.

Free Teen Conference

There is a "Power of One" teen conference taking place on **Saturday, March 12th from 10:00 A.M. to 12:00 P.M.** in the D2 Gym. There is free admission and food will be provided. Special guest speakers will be Steven Sharp Nelson, from The Piano Guys and BYU kicker, Justin Smith.

T-Shirt Design Contest

The apparel department is hosting the second annual Spark Spirit Campaign this year to give you the opportunity to design a shirt that 'sparks' school spirit. You can showcase your art talents and design something that represents what you love about our school. We are currently accepting entries and they are due on **March 7th**.

The rules state that you must pick one of the pre-approved T-Shirt colors then draw or design what you would want to see printed on your shirt. In order for your design to be considered for the finals, the print can only be two colors. *** PRO TIP: For a good T-shirt print, it is better to be bold! Small lines and details are harder to print.*** One design will be chosen to go to print and shirts will be available for our entire school to purchase! And 30 others will get additional prizes such as an apparel gift card or a sponsor gift card. This is a rare opportunity to design exactly what you want to wear.

Some ideas would be our school name (APA), our school mascot (Eagles), something to do with our beliefs (Builders Poem), or something American (because we strive to be good American citizens). You can use your creativity and have fun. You can draw or use a computer to bring your ideas to life. Turn your completed designst to the character development office or you can also scan and email them to the apparel department at apparel@apamail.org. Have FUN!!!
