8th Grade W.O.R.K Party

It's time to turn work into a party! On **Wednesday, August 31st**, all 8th Grade students will have the opportunity to provide community service at different locations in the Draper area. This event will run from **12:30PM-2:45 PM**. The goal of these projects will be to allow students to do physical, not so glamorous work to help them realize that everyone has the responsibility to help out in their community. Hence the acronym W.O.R.K. which stands for Wonderful Opportunities to Render Kindness. Here at APA not only do we teach our students how to work hard, but also how to find opportunities to serve their community. * Note: Signed permission slips are required and must be turned in to 4th period teachers by Wednesday, August 24th for full points.

** This is a required event and will be included in students' 4th period Ambassador Hour grade. Volunteers are needed and welcome at this event! If you are available to help for any amount of time, please contact Davis Day at dday@apamail.org.

9th Grade Unity Hike

Our first 9th grade event is coming up soon. The Unity Hike is scheduled for **Monday, August 29th** from **7:55-1:55**. Students will be hiking Ensign Peak and playing games that involve unity and friendship in an effort to unite them as a 9th grade class.

Permission slips were sent home with your student this past Wednesday, August 17th. Please make sure your student gets it signed and returned by Wed. August 24th. Students who do not turn in a permission slip will not be able to attend. The permission slip, and the event, are both part of your student's 4th period grade.

9th grade students will need to bring a **sack lunch from home in a disposable bag**. 9th grade only will be allowed to wear navy blue polos and jeans with no holes in them for this event day. If you have any questions, please email jstratton@apamail.org. We look forward to an amazing year with your students!

Professional Qualifications

Our parent surveys consistently express confidence and overwhelming satisfaction with our teachers at American Prep. In accordance with state regulation, all APA teachers are licensed through one of three licensing paths: Professional, Associates and LEA specific. Parents are welcome at any time to request information regarding the professional qualifications of the student's classroom teachers including: 1) whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction or whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; 2) the baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree; and 3) whether the child is provided services by paraprofessionals and, if so, their qualifications.

District Parent and Family Engagement Policy

American Prep recognizes that parent and family engagement is key to student achievement. We provide many opportunities for parents and family members to participate in, and stay informed of, their student's academic achievement. American Preparatory Academy trains staff annually during pre-service and teacher academy on how to communicate, build meaningful connections, and otherwise involve parents/families and the school. These topics are reinforced during professional development opportunities throughout the year as needed. Additional details regarding Parent and Family Engagement are available in the annual Parent-Student Handbooks (PSHB) which are distributed annually, posted on the school websites, and available in Spanish at our West Valley campuses. For the full District Parent and Family Engagement Policy, please refer to this link on the Policy page of the americanprep.org website.

School Parent and Family Engagement Policies

School Parent Involvement Policies vary slightly by campus and are located within the Parent-Student Handbooks <https://www.americanprep.org/parent-student-handbooks/>. These Handbooks are distributed annually to parents and are now accessible on the APA website under the Parent Library drop-down tab. West Valley Parent-Student Handbooks will be available in Spanish.

Mandated Assessments and Opt-Outs

American Preparatory recognizes that Standardized Testing is an essential tool for measuring student learning and teacher success. The data obtained from these assessments may be utilized by teachers and administrators to review student academic progress, plan instruction, and share with students and parents. Summative assessments allow for data to be used in public reporting about school quality. Parent's may opt-out of most state standardized tests by submitting a Parental Exclusion form to the Academic Director.

More than anything, we want to see you succeed, so please ask questions if there is any confusion or if there is anything you are unsure of.

Calling for Volunteers!

We already have some take-home volunteer projects in our Curriculum Office. If you are detail oriented and love helping books look good, we need your help! Please email curriculum@apamail.org for more information or to volunteer!

Spirit Wear Days

Once a month, we have a Spirit Wear Day. These typically take place on the first Friday of every month, with a few exceptions, and can always be found on the school calendar. On Spirit Wear Days, students may choose to wear American Prep spirit wear, which can be ordered online at www.americanprep.org/store, if they so choose. Regular uniform, from the waist down, is still required, unless otherwise specified (i.e. crazy sock day).
