Free Period Products

This year, our school is offering free period products (menstruation products) in our girls' and all-gender bathrooms in compliance with recent legislation (H.B. 162). Period product dispensers have been installed, providing free menstruation products for our students. We ask parents or guardians to please discuss the need for and proper use of these products with their children who may need to use them, and ensure they know the products are free to use when needed.
