7th Grade - Care Center Visits

Half of our 7th grade students recently participated in the Care Center visits event! We were so excited for our 7th grade students to visit the residents at different Care Centers where they had the opportunity to play games, make crafts, paint nails, sing songs and get to know the elderly! Our students had a great time and the Care Center residents had their day brightened by our scholars' smiles and laughter.

Our other half of the 7th grade students (classes: Mr. Passmore, Ms. Sowell, Mrs. Swanson, Mrs. Wilde, and Mrs. Woodcox) will be attending on Wednesday, November 30th and they will receive their permission slip closer to the date. If you have any questions, please email kweiss@apamail.org.

Donation Drive

American Preparatory Academy Donation Drive is starting soon, on Dec 1st. This year, our students, families, and staff will be donating canned food items to The Utah Food Bank. This is an organization that helps provide meals for those who really need them. In 4th period this week, students will learn more about the donation drive and what The Utah Food Bank provides for our community.

This holiday donation drive is a tradition at APA because we know how important it is to make the world a better place. We want you to be smart students, but we also want you to be caring students—students who go out and make a difference. So are you ready to fight hunger in Utah! Yes! We CAN Care!

Donations will be collected in each 4th period classroom and the food drive begins Dec. 1st! So, talk to your families and start saving those canned food items to donate!

- Reminders -

D3 Musical Production of Freaky Friday - Tickets Available Now!

Do you ever wonder what your life would be like if you switched places with someone else?!? Worst of all...with an ADULT?! Well, come check out for yourself this D3 FREAKY FRIDAY musical experience on November 16, 17, and 18 @ 7pm and November 19 @ 3pm. Buy tickets [here!](#)
[See musical poster here.](#)

11th Grade Interim Capitol Visit

Our 11th grade students will be attending the Capitol on Wednesday, November 16th from 12:30-3:00 during the Interim session. During the interim, interim committees are formed and assigned topics. Sometimes they are exploring the needs of the people, researching options and trying to determine if a law or regulation would help or hurt the problem. Bills can be read, amended, discussed, debated, researched and prepared during the Interim.

This is a great opportunity for your student to gain a better understanding of what goes on between sessions, and learn about committee topics.

Permission slips will be sent home with your student on Tues. Nov. 1st and will be due on Tues. Nov. 8th. If you have any questions, please email jstratton@apamail.org.

“The 12 Most Dangerous Apps for Kids” Article

“For even the most tech-savvy of parents, keeping up with all of the latest apps your kid wants to download can be a real struggle. Trends change, social media platforms evolve, and new viral apps can explode onto the scene in a matter of days. Making things even harder, it can be difficult to tell which apps are really a threat to your child’s well-being. To help you out, we’ve compiled a list of the twelve most dangerous apps for kids today. Some you’ll probably recognize, but a few may surprise you!” [Click here to read the article.](#)
