Event Review: 9th Grade Capitol Visit

Our 9th graders visited the state capitol Friday, January 27th. Students and chaperones observed legislative subcommittees in action as they discussed a variety of topics. Two of the topics were regarding adding Jr. High curriculum to the online education program and auditors' findings on the Board of Pardons and the Parole department. The group also witnessed the different protocols for voting on bills in the House of Representatives versus the Senate. Some students were impressed with the beautiful artwork found in our capitol rotunda and some were in awe of the elegant Gold Room. Students kept a record of their visit to Capitol Hill. The field trip was topped off by personal visits to our group from our local elected officials, including Representatives Stenquist, Strong and Pulsipher.
