10-12th Grade Food Handlers Permit

10th-12th grade students have the opportunity to get their food handlers permit and some food service experience through American Preparatory Academy! APA will pay **half** of the permit fee, so your total will only be \$15. On **Thursday, March 7th 2 –3:15pm**, there will be a food handler's meeting in room #228 (Mrs. Ochs-Howser's room). To attend, students need to pay their \$15 at the front office, then visit the Character Development Office with your receipt to sign up beforehand.

After getting a Food Handler's Permit through APA, there will be two required events you must attend:

1. Attend a mandatory Server Training on **Thursday, March 14th, 2pm - 3:15pm.**
2. Serve at **two** 8th grade ball dinner events.

If your student already has a food handler's permit and would like to serve with us, we would love to have them! If you or your student have any other questions, please reach out to Mrs. Weiss at kweiss@apamail.org or anyone in the Character Development department.

7th Grade Capitol Trip Summary

On Tuesday, February 27th, the 7th graders went on a trip to visit the Utah Capitol Building! They had a great time touring the building, asking questions to representatives, and learning about the legislative process.

Ballroom Classic Competition Summary

The team competed in five team events, receiving a Superior rating for their Lift routine, placing 2nd in two of the dances, and bringing home two 1st Place trophies! For the individual events we had students in the finals of every dance, with several couples placing 1st, 2nd and 3rd.

But in addition to dancing well, our students were great Ambassadors for APA. They were kind and supportive of all the teams, often giving high fives to their competitors and cheering each other on. We are very proud of their teamwork, their diligence, and their character. Go ballroom!
