## **Open Enrollment- Spread the Word!**

We have a special request to make of all our parents and staff. This year is the last year we will receive the federal funding that we have received since COVID. This means that we will be faced with cutting programs or staff positions UNLESS we can add students to our schools. We prefer to add students! But to do this, we need your help! Over 90% of our new students hear about our school through friends or family members. This means that YOU are our BEST AMBASSADORS! We have opened new classes at our schools for next year and need to increase enrollment by 300 students district-wide. We currently have about 5,000 students and we need 5,300 in order to keep our programs in place. Today we sent home a flyer with your child. Please take a picture of it and send it to as many people as you can. The flyer is also attached to today's newsletter. Campuses will be holding evening open houses after spring break. The flyer has a QR code that lists the Open House dates, times and addresses. THANK YOU FOR YOUR HELP IN BRINGING APA TO 300 MORE LUCKY STUDENTS!

## **7th and 8th Grade Event Recap**

Our 7th and 8th grade events this week were a success! 7th graders attended the Rising Stars, and attended stations that taught how to navigate the internet safely, smart device/phone etiquette, healthy choices for the body, and how to support others around them. 8th graders attended the Passport to Confidence event, which focused on etiquette, good communication, leadership skills, and helped them prepare for the upcoming New York Ball. A HUGE thank you to all of our parent volunteers who helped make these events possible!

## **Ballroom Competition Recap**

This past week our ballroom team had the opportunity to travel to Idaho to compete in the Gem State National Showdance Competition. It was exciting to meet dancers from all over the country and to compete on a national level. As a team they brought home a 2nd place trophy and THREE 1st place trophies. And, once again, our dancers were amazing in the individual categories, many making it to the semi-final and final rounds, and several of our dancers even taking 1st place against a huge field of couples.

The competition was the culmination of months of hard work, and we are so proud of the commitment they have shown to improving their talents and supporting each other as a team. Go APA Ballroom!

## **Fingerprinting**

In order to volunteer at American Preparatory Academy, it is a requirement that each individual who plans to volunteer at APA completes the fingerprinting procedure. Volunteering opportunities may be in the classroom, at athletic events, on field trips, or any other time spent on school grounds or with American Preparatory Academy students. The fingerprinting process is not transferable (i.e., switching parents on the morning of a field trip) and must be completed by each individual who will be volunteering. Fingerprinting sessions are available by appointment only.

To schedule your appointment, click on this link: [SIGN UP HERE!](#) You will need to plan your appointment at least seven (7) days before your first volunteering appointment to ensure timely processing. You will be expected to present a government-issued photo ID and sign a consent form. If you have any questions/concerns regarding the fingerprinting process or if you believe you already have a valid background check on file with APA, please feel free to reach out to Brenna Fontaine at [bfontaine@apamail.org](mailto:bfontaine@apamail.org).

Thank you for your commitment to the safety and well-being of our students!
