PAC Ballot Election

The Parent Advisory Committee (PAC) participates with school administration in developing the Annual School Plan, in deciding how the Land Trust monies will be spent, and other matters important to our students at American Preparatory Academy.

The PAC meets 4 times per year. Members of the PAC will be expected to participate in all of these meetings so that a quorum may be present to conduct business. There are no term limits; as long as the volunteer has students enrolled in the school and is actively participating, they are welcome to continue

serving on the committee. The committee consists of 6-8 representatives. The following individual would like to be considered for your approval to the committee. Please vote to approve them.
