ACT Prep for 11th Grade

SGL Training (2-4pm)

FAFSA Night for seniors & parents(5:30pm)

-Reminders-

Parent Volunteers Needed in January

At the beginning of each year we administer a mandatory test to all of our English Language Learner students (students who speak another language other than English as their primary language). We are hoping to have 2-3 parent volunteers who would be able to commit a couple hours to be trained online and in person, then administer the online test over a period of 2 days in January. If you are interested in learning a new skill and want to help out with testing please email Hrowley@apamail.org.

Science Fair Judges Needed

Achieving Academic Success and Developing Good Character

AMERICAN PREPARATORY ACADEMY

You are cordially invited to be one of our esteemed judges at the **2025 Salt Lake Charter Schools Scientific Forum**. Science competitions are not possible without many people generously donating their time to judge and, in doing so, provide meaningful feedback and inspiration to student scientists.

Date: **Friday, February 7, 2025**

Location: Salt Lake Community College - Miller Campus on 9750 S 300 W Sandy, UT 84070. ([map](#)).

Time: 1:00 PM- 4:15 PM

What: 150 projects from 15 different schools, grades 5-12.

Food: Yes, **we will be providing lunch: Sandwiches, chips, salad, fruit, drink**

If you would like to judge this year, please register from our website using the following link.

[Judge Registration](#)

The registration form will help us better match your expertise to that of the students competing in this fair. The most important requirement is that you are willing to talk with students and encourage their interest in the sciences. Please contact Tara Wion at chartersciencefair@gmail.com if you have any questions.
