Eighth Grade Barn Event Report

On Wednesday our 8th grade students had fun at the Barn Dance & BBQ Event! Our students did a wonderful job practicing skills such as listening during conversation, the importance of teamwork, how to seat a lady, and how having a positive attitude makes a big difference when the going gets rough! A big “thank you” to Claudia Jahen, Monica Walter, Julie Clawson, Holly Curtis, Molly Jorgensen, Oscar Okko who helped our event to be a success! Parents make sure to test your student’s knowledge on the following station quiz questions!

1. What experiment did the man try at the party? What were the results? (He just listened! And yet, his peers noticed his charisma and great articulation)
2. What are three things you can do to improve your listening skills? (Plan to listen, Show that you are listening, Be a cooperative listener)
3. What is an open-ended question? (a question that requires a response more than yes or no)
4. What are the four basic steps in the Cowboy Cha-Cha? (Ladies Overhead Turn, Pivot Point Turns, Forward Walks and Change Places)
5. How does encouragement affect a game? (It makes the game more fun.)
6. How do you “enter into the spirit of the party?” (by participating and encouraging others)
7. How can you improve your attitude or personality? (by the choices you make)
8. How do you, the gentleman, know when a lady is comfortable and you may be seated? (She rests her back against the chair)
9. Who leads the way to the table and chooses where to sit? (gentleman)
10. What does the lady have to do at the end of the buffet line? (WAIT for the gentleman who offered the courtesy of letting you go first)

As we welcome Autumn and the changing weather we wanted to provide some helpful information about student dress for PE. Students will be allowed to wear sweatshirts and sweatpants during PE activities outside, beanies/ear warmers included. Please keep in mind the following regarding extra clothing: sweatpants must be loose fitting (no spandex, yoga pants, jogger/soccer pants, etc.); sweatpants should be basic/plain in color and design; any clothing (pants, sweaters, beanies) with logos should be appropriate and not contain any inappropriate slogans, words, brands, images, etc. If you'd like you can purchase APA brand sweatpants from our store.
