Winterim Courses Registration and Fees

The Winterim course registration deadline has been extended to Monday, November 12th. The link for registering for courses was sent out to students' apamail email addresses. If you have not received this link, email Mrs. Hollinger at carole.hollinger@apamail.org or Mr. Sheneman at bsheneman@apamail.org. Winterim class schedules will be given out this upcoming week, and **all courses fees are due by Friday, November 16th**. Please note that there is no school on November 16th, although the school will be open for Parent Teacher Conferences, so please plan accordingly.

Board Member Open Seats

The Governing Board is accepting applications for seats on their board. We invite any interested person to apply. Although all board members have historically been parents of students (or former students), applicants do not have to be parents of students at the school, but could also simply be interested community members.

The Board's mission is to ensure the successful operation of American Preparatory Utah campuses. The board is responsible to the State of Utah for ensuring fidelity to the school's charter (the Board's contract with the State), for proper financial operations, oversight and accounting of the schools, and for school operations that comply with the requirements in the laws and rules of the state of Utah and the federal government, as applicable.

The Board seeks individuals to apply who are committed to the mission of American Preparatory Academy, who have some experience and understanding of the school model, and who can commit to attendance at all monthly meetings of the board (with few exceptions).

The application for consideration is attached to this email. All applications will be reviewed by the board members. Interviews will be conducted by the Board upon invitation. Thank you for your consideration of this volunteer opportunity!
