Engineering State at Utah State University

Engineering State at Utah State University, now in its 28th year, is a fun-filled 4-day, engineering-themed summer camp for students entering their senior year of high school. Participants explore how engineering has changed the world and learn about the seven areas of engineering offered at USU. Many former participants go on to major in engineering and work in successful, fulfilling careers. Visit estate.usu.edu to register before March 31.

Engineering State 2019 is June 3–6 on the USU Logan campus. Students stay in dorms near the main engineering complex where most events take place. Registration is \$250 and includes accommodations and all meals. Students should be between their junior and senior year of high school and have a strong interest in math, science and technology. Students must have at least a 3.0 GPA to attend. Space is limited so register soon. <http://www.usu.edu/today/index.cfm?id=58195&nl=599>

February Lunch

Parents - it's time to order lunch for February. In fact, you can order until the end of the year! Our new menu includes kid-pleasing favorites like PIZZA, MINI TACOS, CHICKEN NUGGETS, and CORN DOGS. We still serve green salads, pasta salads, muffin/yogurt packs, and hoagies. [View menu here](#). Follow this link to order: <https://apalunch.h1.hotlunchonline.net> Please email lunch@apamail.org if you need assistance.

9th Grade Capitol Trip

9th grade students will have the opportunity to observe committees and tour the House and Senate Floor at the upcoming school trip, on **January 29th**. They will get to learn all about how the Legislative process works. Here are a few things to be aware of:

- Students need to bring a sack lunch, in a bag or container that they can throw away. It needs to contain ready made food. We will not have the use of microwaves.
- Full uniform dress is required.
- We will leave early, so please have your student to school on time.

Thank you for all of your support! We are excited to have your students become more aware of governmental processes.

- How one can avoid addictions of any kind?
- How does one recognize an addiction?
- What to do if you recognize you or a loved one might be ensnared in an addiction?
- Stories of a few people in recovery from addiction.
- Field questions.

Presenters will be:

- Christian Smith co-owner Renaissance Ranch and in recovery.
- Alema Harrington SUDC, (Substance Use Disorder Counselor), Voice of the Utah Jazz and in recovery himself.
- Kim Patience, Recovering addict/alcoholic, admitting specialist at Renaissance Ranch
- Jon Redd, Recovering addict, SUDC, specializing in helping people get help for addictions.

SheTech 2019

SheTech 2019 will be held is **April 9th** at the Mountain America Expo Center in Sandy, Utah.

SheTech is a STEM activation and engagement platform for girls. Girls gain exposure to technology, individually create using technology, meet mentors, learn about careers in STEM fields, receive a certification and gain access to internships and scholarships.

SheTech Explorer Days are industry-centered, hands-on interactive STEM exploration days held across the country for 9th through 12th grade high school girls. These day-long events are focused on hands-on activities in science, technology, engineering and math (STEM). Girls spend the morning in hands-on sessions and the afternoon solving a technology challenge, pitching their solution and competing.
