Event Review: 9th Grade Winter Ball

We were so impressed with all of the 9th grade students. Each student came with a positive attitude, ready to have fun! They readily participated and were able to show off all they are learning in their dance classes. They were polite and able to use their social skills to show respect to each other. We have amazing students and are so grateful for them! Thank you for your help in getting them ready for the dance! It turned out to be a unifying event!

Saturday School will be held this **Saturday, Feb. 9th**. Students must report at 7:00am, in full uniform, to the JH Cafeteria, with school work to work on.
