Event Review: Kauri Sue Dance

We had the opportunity to provide a Friendship Dance for students at the Kauri Sue Hamilton school. 11th and 12th graders had the opportunity to sign up to go with us. We danced, played games, had refreshments, and made new friendships. Everyone felt the love of the students from Kauri Sue! It was an amazing experience!

Event Review: 10th Grade Gala

10th grade students had an AMAZING time at the Gala on Saturday. The students came together as one large group of friends. Everyone danced, played games, and had refreshments. We were impressed as they used the dance steps they have learned to spin their partners around the dance floor. They showed their etiquette skills as they went through the refreshment line. We all had a great time!

Building Safety Notice

The Facilities of American Preparatory Academy do not have any asbestos products used in their planning or construction. You may contact the school if you have questions or concerns regarding building safety. A copy of our school's management plan is available upon request.

Region 17 Coach of the Year: Dan Baldwin

Our very own Draper APA High School Girls Head Basketball Coach, Dan Baldwin, was selected as the Region 17 Coach of the Year! This is an outstanding accomplishment. Coach Baldwin has made a tremendous impact on our Draper team. He helped our team improve from 3-18 last year to 16-7 this year, into a second place finish in Region 17.

Coach Baldwin has coached basketball for many years and started with APA in 2015. He created a Girls Amateur Athletic Union (AAU) club for our elementary and middle school girls this year to teach them the skills needed to transition to a high school basketball team successfully. Thank you Coach Baldwin for your hard work and dedication.
