## **12th Grade United Way Day**

12th grade's United Way Day is happening on **Tuesday, September 29** during 4th period. United Way Day is a large annual service project that the seniors participate in. This year we are partnering with an organization called "Stitching Hearts," a humanitarian group that helps people who have been impacted by natural disasters, those without a home, and refugees. For our project, we will be making sleeping mats for families who lost their homes in the 2018 Paradise, California fire, and creating toys and games for children. Because Stitching Hearts is a non-profit group, they gather their supplies through donations. Here's what we need from students:

We invite all the 12th-grade students to bring \$2-\$3 so that the organization can replenish their supplies after the event. We want to have this before the event starts.

We also need plastic grocery bags! These need to be in good condition, with no holes or tears, since they will be used to put together sleeping mats.

Students can bring these materials to the Character Development Office.

## College Week

College Week will be slightly different this year. ## **Mark Your Calendar: Dance Company Auditions**

If you are interested in trying out for Dance Company, please mark your calendars for the upcoming auditions. They will take place on **September 22nd, 3:30-5:00 P.M.**, in the D3 Multipurpose Room (on the 3rd floor). Questions can be directed to Kadie Mahoney at [kmahoney@apamail.org](mailto:kmahoney@apamail.org).

## **American Prep Offers Free Meals to All Enrolled Students**

Thanks to a USDA free meal waiver, American Preparatory Academy will begin offering lunch at no cost to all enrolled students who pre-order beginning Tuesday, September 15th at all school locations. All students are eligible, whether they are learning in the classroom, online or at home.

### **How to Order**

All families are asked to follow our normal procedures for ordering lunch:

1. Complete an application <https://www.americanprep.org/school-lunch-program/eligibility/>  
Regardless of your status, all lunches will be free.
2. Our school lunch staff will set up an account on our online ordering system.
3. Parents receive instructions to pre-order lunches one month at a time (currently through the end of September).

If you have already completed an application and would like to order free lunches, email [lunch@apamail.org](mailto:lunch@apamail.org) so we can set up an account for online ordering.

### **On Campus Students**

Lunch is served to each elementary classroom, and in the Jr. High and High School cafeterias. All meals must be pre-ordered 48 hours in advance. Lunches are prepared off-site, and are not always available upon demand. All lunches are COLD sack lunches. Microwaves are available for secondary students.

### **Off Campus Students**

Off Campus learners may pick up meals at specific times and locations as designated by each school. Additionally, these families may pick up meals for any siblings who are 18 years of age or younger. All meals must be pre-ordered 48 hours in advance.

Pick up times found here - <https://www.americanprep.org/school-lunch-program/>

### **Temporary Benefit**

USDA does not guarantee the length of this free meal waiver. They are committing to free meal service through December 31st, 2020 or until current funding runs out. Due to the potential expiration of this waiver, we are encouraging parents to continue applying for free and reduced meal eligibility so that they won't experience a lapse in benefits.

## **Great Parent Volunteer Opportunity!**

Work from home! We are looking for some parents to help take tests and transfer them to Google Forms. If you are familiar with Google Forms and would like to help, please contact Mr. Christensen ([todd.christensen@apamail.org](mailto:todd.christensen@apamail.org)) & Mrs. Hollinger ([carole.hollinger@apamail.org](mailto:carole.hollinger@apamail.org)). Thank you!

## **Please Drive Courteously**

Parents, we'd like to ask that you please follow all traffic flow regulations on Lone Peak Parkway. In order to enter the campus drive you must come from the north of Lone Peak from at least 114th South. Please do not use neighborhoods or business parking/driving ways to turn around. We have received feedback from our neighbors and local businesses that our traffic using their driving/parking ways to turn around is problematic. We ask that you be respectful and thoughtful to our neighbors.

## **APA Mountain Biking Club**

If you are interested in mountain biking, join the new APA Mountain Biking Club. The club will meet Thursdays after school at a Corner Canyon bike trail (TBD). You will need a mountain bike, a helmet, a way to get to the trail, and a desire to ride. If you are interested, please email Coach Andersen at [randersen@apamail.org](mailto:randersen@apamail.org). Please include your name, number, and email address in your email, so that he can contact you about participating in the club.
