How do I know if I have Saturday School?

Login to Skyward to see if you have an "NC" grade for any of your classes. Check your attendance to see how many tardies you have for the term. You are given 3 "freebies" per class/per term (so 4 or more tardies count towards Saturday School).

Event Review: 9th Grade La Caille

We are so impressed with the 9th grade class and their behavior at La Caille! They were professional, well dressed, kind, generous, and excellent dancers. We loved seeing them have a great time and treating each other with respect. We would love to thank all of the help and support that went into making this event a success. First of course is the students and their willingness to do something out of their comfort zone. Second, their dance teachers who helped them prepare. The parents who volunteered their time. And finally a thank you to all you parents who were so patient with all the emails and last minute adjustments. Thank you for the great year with your kids.
