Join our

Parent Advisory Committee

Every school must have a Parent Advisory Committee (PAC) comprising of school administration and parents, with parents being the majority of the committee. The PAC generally meets 4 times per year and participates in developing the Annual School Plan, in deciding how the Land Trust monies will be spent, along with other matters important to our students at American Preparatory Academy.

You can find more information on the Parent Advisory Committee on our website. The school website contains information about:

- Who is on the council
- Council meeting schedule for the year
- Agendas of upcoming council meetings
- How the money was spent last year
- How much money came to the school this year

If you are interested in serving on your school's Parent Advisory Committee, please let your Administrator know.
