Virtual Parent Empowerment: Mental Health & Wellness

Among the many lessons learned during the last few years has been just how important it is to pay attention to our mental health and wellness as well as our physical health. In reality, our physical and mental health are intertwined. Many symptoms of mental illness emerge in the teenage-young adult years. Join us in our Virtual Parent Empowerment on Tuesday, November 12th at 7 pm as we explore what is mental health, how to identify symptoms of mental illness and how to get help, and the protective factors to help avoid serious issues. Your school may provide an incentive for participation. This topic is appropriate for students and

parents so invite your students to participate with you. See you on zoom!

7th Grade Care Center Visit

Permission slips for the 7th grade care center visits will be handed out soon! Care center visits are a great opportunity for students to step outside their comfort zones and serve others. 7th graders will be split into two groups; the first group will do their visits on Wednesday, November 20th, and the second group will do their visit on Wednesday, December 16th. We will be sending an email out in the next couple weeks with the group's assignments.

Veterans Day Assembly

D3's Veterans Day assembly will be on Tuesday, November 5th. We encourage students to invite a veteran to our assembly! Each student will bring home an invitation to share with a veteran friend or family member. These invitations will have information concerning times and RSVPing. Veterans will be individually recognized with a commemorative pin and a handwritten thank-you letter written by an American
